<thead>
<tr>
<th>WORKSHOP DESCRIPTIONS</th>
</tr>
</thead>
</table>
| **Bouncing Back, Academic Resilience**  
Reflect on a prior struggle, learn what to do when getting feedback, and apply new strategies when getting a critique. |
| **Email Organization**  
Come learn strategies how to organize your UConn Gmail inbox so you never feel inbox stress again! |
| **Finals Prep**  
With finals week around the corner, this is the place to get organized, discover ways to study, and create a plan. |
| **Focusing to get Things Done, Attention Management**  
Discuss the issue of focusing on tasks. Then discover strategies that will help you focus in the future. |
| **How Major is Your Major?**  
Anxious about choosing a major? Feel like you’re in the wrong major? Worried about how certain majors lead to careers? This workshop explores FACT vs FICTION when it comes to choosing a program of study. |
| **Just Breathe, Stress Management**  
Did you know there are multiple kinds of stress? Come talk about ways to combat the negative results of stress. |
| **Microsoft Excel Basics and Advanced**  
Want to track your grades in your classes in one single place? Need Excel basics and want some assistance? This is the place for you. Be sure to bring your laptop. |
| **Online Course Support**  
Managing an online course can be challenging. We will provide steps to consider when taking an online course. |
| **Presentation Skills Support**  
Do you have an upcoming presentation? Come learn tricks to present as well as practice your skills. |
| **Prioritization Techniques**  
Come and explore strategies to organize your priorities. |
| **Secrets of Homer Babbidge**  
Do you know where to go if you need research help? What about study rooms? There are loan laptops, study rooms, videos, and more available at the UConn Library. Come and learn about some great resources available. |
| **Setting up Your Semester**  
This presentation will help you start your semester organized, prepared, and in the mindset to succeed. |
| **Strategies for Deeper Learning**  
Have one go to study strategy? Want more effective techniques in your tool belt? This presentation will discuss methods to approach your coursework. |
| **Success in S.T.E.M.**  
If you are in a STEM course or are a STEM major, this is the workshop for you. Learn ways to be successful in your courses including how to approach your assignments and studying. |
| **Test Taking Strategies**  
Realize things to consider when preparing for an upcoming exam to then create a plan. Learn exam format tactics to best approach different types of test questions. |
| **Where do I go for that?**  
Learn about resources on campus and how to ask the right questions when you go there for support. |
